

Pipemaking Materials – catalogue of items available for sale.

1. African Blackwood

The wood is roughly turned to cylinder with occasional remaining flats, and most is bored, though not all. None of it is trued to the bore. A few bits are still square.

Part	Bore (ins)	Size (Lx nominal dia, in mm)	Notes
Chanters	11/64	280mm x 28mm	<i>Some unbored cylinders.</i>
g drone standing part	1/8 th	110mm x 20mm	<i>Bored</i>
